

Leading The Way with Dr. Michael Youssef  
Passionately Proclaiming Uncompromising Truth

## ***“The Lord has been doing miracles!!”***

More than 3 billion people have yet to hear the Gospel. Those in remote regions, those unable to read, those who know *something is missing* – **how can we reach them with the Good News of Christ's love?**

***Leading The Way's* pocket missionary, the *Navigator*, is the answer!**

Compact, durable, and solar-powered, these audio players are the perfect tool for sharing the Gospel in remote areas and equipping underground churches with a powerful discipleship tool.

Each *Navigator* contains the New Testament and 150 messages from Dr. Michael Youssef, available in dozens of languages.

**From rural villages to refugee camps**, your partnership is enabling *Leading The Way* to deliver God's Word where it's needed most, reaching those formerly unreached by the Gospel.

As we celebrate **15 years of sharing the Gospel through the *Navigator***, reaching an estimated **2 million people** worldwide, we give God the glory for this incredible milestone and press on to reach millions more people who have yet to hear the Good News of Christ. **Will you join us?**

The *Navigator* is *Leading The Way's* compact, durable, solar-powered “pocket missionary” God is using to transform lives in remote regions.

Loaded with the New Testament and sermons from Dr. Michael Youssef in audio format, these audio players share God's Word in dozens of languages, reaching the most remote communities and equipping underground churches.

From rural villages to refugee camps, *Leading The Way* is delivering the Gospel where it's needed most. Join us in celebrating 15 years of the *Navigator* and help us reach those who have yet to hear the Good News of Jesus Christ.

### **Key Features and Purpose:**

- **Solar-Powered & Durable:** Ideal for areas without electricity, built tough for rugged conditions.
- **Compact and Discreet:** Small and easy to conceal, essential for closed countries where Bibles are banned.
- **Audio Content:** Loaded with the New Testament and Dr. Michael Youssef's sermons in dozens of languages.
- **Targets Unreached People:** Reaches communities with high illiteracy, no local churches, or no access to scripture.

### **Evangelism and Discipleship:**

Used by local partners to share faith and build up the church where traditional methods fail.

### **How it Works:**

- Pastors and evangelists distribute these devices in villages, refugee camps, and remote regions.
- Users listen to scripture and teachings on-demand, bypassing literacy barriers.

It serves as a tool for personal devotion and for training new believers.

In essence, the *Navigator* is a vital tool for **Leading The Way's** mission to **bring the Gospel to the world's most inaccessible places.**

**Join us on a voyage of discovery as we tell the incredible story of John Newton – the sailor and slave-trader who went on to write the famous hymn ‘Amazing Grace’. Watch Newton’s journey of faith unfold as he battles the high sea, lost love and his own destructive self and eventually finds himself at the mercy of a compassionate God.**

**Oddments is a full-time Christian Theatre Company based in Yeovil, Somerset, with a heart for mission.**

**Our aim is to share the Christian message through our theatre, creating productions that are both thought-provoking and entertaining. We tour our shows across the UK, taking them into churches, schools and prisons. Using innovative stage sets, lighting and sound, Oddments strives to bring you visually striking dramas that are suitable for people from all walks of faith.**
