

GLOBAL PRAYER EVENT

7th October 2026
24 hours of prayer

The world addresses the symptoms
Prayer addresses the source

There is a spiritual battle taking place, and on **October 7**, the Global Church is uniting in prayer to confront it. Believers from every nation will unite in a historic 24-hour global prayer gathering broadcast live from Jerusalem's Western Wall.

Why We Are Gathering

Anti-Semitism is more than a social problem. It is a spiritual battle. Governments can create policy, communities can create awareness, institutions can create programs – but only God can transform hearts. That is why we pray.

ONE MOVEMENT. EVERY NATION. ONE VOICE.

Live from the Western Wall (Kotel), Jerusalem, Israel

Prayer Focuses

- The peace and security of Jerusalem
- The people of Israel
- The release and recovery of hostages
- Jewish communities facing anti-Semitism
- Wisdom for Israel's leaders
- Unity among believers worldwide
- The fulfillment of God's purposes for Israel and the nations
